Avg sentiment score	+0.20	+0.25	-0.05

Top issues

Based on 132 negative reviews; 69% were matched to a known issue. One review can mention several issues.

Issue	Level	Reviews	Share of negative	Change last week	Example
Ads	CRITICAL	39	29.5%	-6.1 pts	WORST APP...At first the ads were still tolerable but 2-3 ads after each song?!are u srsly joking?not only ads but also
Pricing and subscription	MEDIUM	18	13.6%	-0.2 pts	Who ever is in charge of the decisions on this app needs to be dumpster diving by the end of the week to feed their kids
Login and account	MEDIUM	17	12.9%	+7.2 pts	Spotify really disappointing me right now, I've taken standard premium and after using 1 week to 2 weeks it started to s
Playback and downloads	MEDIUM	18	13.6%	-1.3 pts	WORST APP...At first the ads were still tolerable but 2-3 ads after each song?!are u srsly joking?not only ads but also
Crashes and bugs	MEDIUM	17	12.9%	+1.4 pts	it is not a good app just having glitches and need a lot of intenet
Update and UI changes	MEDIUM	11	8.3%	-2.0 pts	F***ing awful UI. The layout is constantly changing and never for the better. Why has it been so bad for so long???
Shuffle and queue	MEDIUM	10	7.6%	+0.7 pts	Spotify really disappointing me right now, I've taken standard premium and after using 1 week to 2 weeks it started to s
Search and recommendations	MEDIUM	8	6.1%	-3.1 pts	This application removed all of my liked songs and Playlist without my permission. It looks like someone else has access
